5. There will be a \$10 all weekend pit pass wrist band available to pit spectators, and under 18 must be accompanied by an adult in the pits) (Note: people camping in pits must purchase and wear the pit/racer pass also).
6. 3 lap Heats and 5 lap Features will be ran in all classes, 4, 6, or 8 cylinder depending on entrants. Features will have payouts to fifth place depending on entrants, and only 1st place trophies for features. **No driver changes when event begins.** (Possible 2 lap Powder Puff depending on entrants after enduro both days)
7. **15 lap Enduro** for last race, same driver must have run the heat to run the enduro. Payouts will be: \$1,000 first place, \$200 second, & \$100 third, \$100 fourth, and \$100 fifth. + trophy for 1st place only.
8. **Sunday, Sept. 3rd, - 20 Lap "Hunt of a Lifetime Shoot Out"** \$1,000 payouts to 3rd with (\$200) donated to HOAL will be run for all surviving stocks, Registration is **\$45 per car, same rules**, gates open at 10am, event starts at 12 Noon. Spectator and Gate fees: \$20/Adult (21 and up), \$15/Children 6-20 yrs., 5 and under are free. (gate fee included for driver, and does not need a pit pass but must have age definition wrist band)
9. Driver must be 18 years or older.
10. Driver must supply one person to score. (rule for lap counting with digital clock)
11. Two wheel drive vehicles only. Engine must be stock with no alterations.
12. Drivers are not allowed to consume alcohol or be under the influence of drugs while participating in the racing events. No alcohol or glass in the pits, campers be aware of this during races. Pit rules posted.
13. All lights, moldings, plastics, etc. must be removed. All mirrors and windows and glass must be removed completely. Windshield must be removed, and a reinforced screen must be in place to protect the driver. Driver side window net is also required.
14. Roll cage is mandatory. (At least a 4 point cage required, use proper materials, think safety.)
15. All racers must have a 4-point-type racing approved seatbelt, 2 shoulder straps and lap belt mandatory and worn by driver at all times. 5-point racing harness is recommended.
16. Driver must wear a full-faced DOT approved helmet, and proper eye protection.
17. Driver must wear long sleeves, pants, gloves, and proper shoes. (No nylon, and fire suit is recommended.)
18. Doors, Trunks, Hood and Bumpers should be chained or welded.
19. Non-flammable padding should be installed in the driver side door frame.
20. 12" hole in center of hood, or hood pins for easy access of fire extinguisher. (Disassemble hood latch, and install hood pins.)
21. Cars must have stock bumpers ONLY. No alteration or reinforcement of frame or body except for driver side door. (Bracing should be, back of front fender to front of back fender.)
22. Gas tank may remain in original position, with no leaks, or strapped in the trunk with at least four one-inch steel straps (no bungee cords, rope, etc.) If installing fuel tank in the trunk, the rear seat and shelf area must be enclosed with steel or aluminum to form a safe firewall.
23. Batteries may be moved to passenger side floor area, but must be securely fastened.
24. Tires for passenger vehicles only. No Studded, Racing, or Truck tires permitted.
25. Driver must have fire extinguisher, and folding knife securely strapped for easy access.
26. All cars must be numbered on both sides, and be at least 16" high, and clearly visible to officials, and on roof read from left side if possible. (If duplicate numbers, an A, B, or C, will be assigned as needed)
27. No profanity on cars. All cars must be removed after race day, or they will be crushed.
28. Any Mega or 1 Ton Trucks wanting to race/perform talk to Scott Krznar or Ricky B. Wilson, ATV, UTV Racing or Rodeo questions, see Paul Morelli or Matt Sampson.
